

FINANCIAL POLICY

Cash Payment Policy:

We accept cash, VISA, MasterCard, and Discover from our cash patients. These patients will receive a discount for paying in full at the time of service.

Cancellation Policy

In the event that you must miss or cancel an appointment, **please give us at least 24 hours notice**. If you fail to provide us with 24 hours notice or miss your appointment you may be charged for the scheduled service. Please note that your insurance will not pay for the missed appointment.

Health Insurance Payment Policy

We may accept insurance under some policies. Your insurance policy is a contract between you and your insurance company. We cannot guarantee that your insurance will pay all or any part of your claim. It is your responsibility to verify your policy with your insurance company prior to treatment. If your insurance company denies payment of your claim, you should contact your insurance company directly. If your insurance company denies, or only pays a portion of your claim, please understand that you are personally and fully responsible for your total outstanding claim. If your insurance company has not paid by 60 days after the date of service, you will be held entirely responsible for any balance due, and you will be billed accordingly.

We must have a copy of your current insurance card in order to submit to your insurance company. If you do not have your insurance card, we will ask for payment in full at the time of service. If your insurance requires a referral or pre-authorization, we must have this in our office prior to your appointment.

We require you to pay copays, coinsurance, deductibles, and any non-covered services at the time of service. You will be sent a statement for any balances on your account. The balance will be due in full within ten days from the date of the statement. If you fail to pay the balance in full, your account will be considered past due and you will be charged an 8% annual finance charge, which will be assessed monthly.

Collecting Payments

If you fail to honor this agreement and it becomes necessary for Beautiful Ama, LLC or its agents to employ legal and/or debt collectors to collect any amount due under this agreement, you agree to be responsible for all collections fees, including debt collector fees, court fees, filing fees, and any other fees that accrue to your account in an effort to collect what is owed.
